Allowable Subject Matter

Page 2

1. Claims 1-9 are allowed.

2. The following is an examiner's statement of reasons for allowance: The most relevant prior art of reference is that of U.S. Patent No.3,637,686 (Kokubo, et al). However, it does not teach nor fairly suggest singularly or in any combination thereof a method for crystallizing a melamine melt to form melamine particles with a D 90 of at most 2 mm comprising cooling in a liquid cooling medium a melamine melt to below the crystallization tempereature of the melamine, forming a suspension of melamine particles in the cooling medium by spraying the melamine melt with at most 10 wt% of CO₂ relaive to the sprayer quantity of melamine melt in a space in which a layer of the liquid cooling medium is present that has a temperature below the crystallization temperature of the melamine and under cooling conditions at which at least 50 wt% of the sprayed melamine melt directly turns into suspended melamine particles.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Felisa Hiteshew whose telephone number is (571) 272-1463. The examiner can normally be reached on Mondays through Thursday from 5:30 AM to 4:00 PM with Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the

examiner's supervisor, Yogendra Gupta, can be reached on (571) 272-1316. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-1463.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system. see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866- 217-9197 (toll-free).
